Counsel for Petitioners-Appellants

## MOTION

Petitioners respectfully move pursuant to 28 USC $\S 455$ to disqualify the Honorable Kim McLane Wardlaw on the grounds of financial conflict of interest.

## MEMORANDUM OF POINTS AND AUTHORITIES

## A. Summary of Motion

On or about February 1, 2022 this $9^{\text {th }}$ Circuit Court posted the judicial assignments for this case: "Before: WARDLAW, IKUTA, AND BADE, Circuit Judges".

Appellants promptly checked the available Financial Disclosure Report ${ }^{1}$ for each assigned judge and determined that Judge Wardlaw appears to own approximately $\$ 245,000-\$ 565,000$ in stock in multiple vaccine manufacturers, including Covid-19 vaccines mandated by Respondent. ${ }^{2}$ According to the CDC, all Covid-19 vaccines (including the vaccines purchased by Respondent from Judge Wardlaw's stock company J\&J) are property of the US government until they enter

[^0]the recipient's body. ${ }^{3}$ For the full list of Judge Wardlaw's affected stocks, see attached Declaration from Appellants’ counsel.

The applicable statute ( 28 U.S.C. § 455) and case law show that any
financial interest in the company at issue (of which the judge holds stock) need not be an actual defendant in the litigation. Even if the government is the defendant in the litigation, the judge must still recuse herself "if the outcome of the proceeding could substantially affect the value of the securities."

Here, the disqualification standard is easily met-the Verified Petition is based entirely on scientific evidence that vaccines (manufactured by companies included in Judge Wardlaw's stock portfolio) are utterly destroying the health of the majority of Americans. For example, Petitioners' First Amended Verified Petition ${ }^{4}$ pled:

- 【16. "Unlike the evidence presented herein, the government has never counted the victims of vaccination, and therefore has nothing with which to support any claim vaccines are doing less harm than good. Therefore, no branch of government can show a compelling or competing interest to that of the Petitioners here. The decimation of the American population is not a public

3 CDC (October 27, 2021). CDC COVID-19 Vaccination Program Provider Requirements and Support. https://www.cdc.gov/vaccines/covid-19/vaccination-provider-support.html (retrieved on October 27, 2021).
https://web.archive.org/web/20211027025400/https://www.cdc.gov/vaccines/covid -19/vaccination-provider-support.html ("Vaccine remains U.S. government property until administered to the vaccination recipient.")

4 Petitioners' First Amended Verified Petition filed January 25, 2021, USDC Dkt. 21, contained in the Excerpts of Record at 2-ER-182-255.
good. Pharma profits must now take a back seat to the public good, as the survival of our Nation now hangs in the balance."

- 191-31 (America’s immune system crisis is caused by mass vaccination, which is an imminent national security threat)
- ITI32. "Without a suspension of the National Childhood Vaccine Injury Act of 1986 (NCVIA), which shifted civil liability for injuries caused by vaccines from pharmaceutical companies to the Federal government who recommends vaccines, the Federal government is at serious risk of bankruptcy. See e.g., 42 USCS § 300aa-22."
- 975. "Pharma, and the governmental bodies that protect, cultivate, and expand its powers, have now outgrown the host. If these health injuries continue to devour the American people at the present rates, this Nation will collapse. Pharma can no longer be permitted to dictate public health policy."
- 988. "Human health can be protected in government policies if the precautionary principle is used in the correct format that puts the onus of proof of harmlessness on the government and pharmaceutical industry, and not the general public."
- 9 T 991 -163 (causes of action). See especially $\mathbb{\top} 112$, "Jacobson was not intended to become an open door to unlimited technological advancements so long as a pharmaceutical company attaches its behavior to the word "vaccine". Even before Covid-19 vaccination, according to the trade publication PHRMA, there were over 250 new vaccines in development. BigPharma is steadily increasing the quantity of vaccines mandated upon the public by government officials receiving socalled "donations" from BigPharma." And see $\mathbb{1} 132$, "It is cruel and unusual when health officials use State powers to give pharmaceutical companies unmeasured control over individual posterity." And see also $\mathbb{9} 168$, "The legislative and judicial branches have, thus far, primarily chosen to subjugate the health of the people of this Nation to the demands of the pharmaceutical/medical industrial complex."

The Verified Petition is damning to the pharmaceutical stock holdings of Judge Wardlaw. If Judge Wardlaw were to rule in favor of pausing mandatory vaccination in this case, or otherwise recognizing Petitioners' evidence that liability-free vaccines line the pockets of Pharma and its stockholders to the detriment of this nation and its people, the value of her pharmaceutical portfolio could easily be expected to drop by at least tens of thousands of dollars in the short-term (i.e., overnight), and potentially drop by hundreds of thousands of dollars in the long-term.

In Judge Wardlaw's defense, she has substantial and diversified holdings (millions of dollars in corporate stocks and various funds), but the law is clear that recusal is necessary where a Judge holds any amount of stock directly in a company that is substantially affected by the outcome of the proceeding. 28
U.S.C.S. § 455 provides:
(a) Any justice, judge, or magistrate [magistrate judge] of the United States shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned.
(b) He shall also disqualify himself in the following circumstances...
(4) He knows that he, individually or as a fiduciary, or his spouse or minor child residing in his household, has a financial interest in the subject matter in controversy or in a party to the proceeding, or any other interest that could be substantially affected by the outcome of the proceeding.
(d)(4) "financial interest" means ownership of a legal or equitable interest, however small, or a relationship as director, adviser, or other active participant in the affairs of a party, except that:
(i) Ownership in a mutual or common investment fund that holds securities is not a "financial interest" in such securities unless the judge participates in the management of the fund;
(iv) Ownership of government securities is a "financial interest" in the issuer only if the outcome of the proceeding could substantially affect the value of the securities.

Case law does not require the judge's stock interest at issue to be an actual defendant in the litigation. Even if the government is the defendant in the litigation, the judge must still recuse herself "if the outcome of the proceeding could substantially affect the value of the securities." See e.g., Shell Oil Co. v. United States, 672 F.3d 1283, 42 Envtl. L. Rep. 20059, 2012 U.S. App. LEXIS 4742 (Fed. Cir. 2012) (Where trial judge discovered that judge's spouse owned stock in parent company of certain oil companies in action against government, and judge severed affected companies from action and entered judgment in favor of non-severed companies, recusal of judge was required from entire proceeding; because stock was not divested, recusal was mandatory and could not be waived, and trial judge was required to recuse judge from entire proceeding rather than severing affected companies). United States v. Wolff, 263 F. App'x 612, 613, 615 (9th Cir. 2008) (judge abused his discretion by failing to recuse in case where judge owned stock in "unindicted co-conspirators"; as the appellate alleged "the district judge was
required to recuse himself because he owned stock in a company that was connected to the scheme").

See also, Sollenbarger v. Mountain States Tel. \& Tel. Co., 706 F. Supp. 776, 781 (D.N.M. 1989),
"In cases where the judge has a financial interest within § 455(d)(4) in a non-party, the court examines how direct an effect the litigation before it will have on the interested non-party. For example, in In re Placid Oil Co., 802 F.2d 783, 786 (5th Cir. 1986), plaintiff brought suit against 23 banks. The trial judge had a large investment in a non-party bank; the financial interest definition is satisfied....Department of Energy v. Brimmer, 673 F.2d 1287 (Temp. Emerg. Ct. App. 1982), is similar to Placid Oil. Plaintiff energy company in Brimmer challenged the validity of regulations written to wind up a Department of Energy regulatory program. 673 F.2d at 1289-91. Judge Brimmer held stock in energy companies who participated in the same program plaintiff did; thus, he had a financial interest. TECA held that his interest in non-party corporations did not equal "a financial interest in the subject matter of the litigation before him" because "the judge does not have a direct economic or financial interest in the outcome of the case, . . . . Id. at 1295 (emphasis added). The court of appeals also held that his stock ownership did not constitute "any other interest" because his rulings could at most have a slight effect, not a substantial one. Id."

A helpful explanation of the law here is also provided in Dominguez v. Gulf
Coast Marine \& Assocs., 607 F.3d 1066, 1073-1074 (5th Cir. 2010)
"The district court maintains jurisdiction as to matters not involved in the appeal, such as the merits of an action when appeal from a preliminary injunction is taken, or in aid of the appeal, as by making clerical corrections." Farmhand, Inc. v. Anel Eng'g Indus., Inc., 693 F.2d 1140, 1145 (5th Cir. 1982). Consequently, it was still appropriate for Judge Clark to recuse himself, insofar as he retained certain residual jurisdiction over this case. Also, his recusal could
be viewed as being in aid of this appeal, as it brings to our attention serious questions concerning the propriety of the dismissal that is now on appeal.

To the extent that Judge Wardlaw is still invested in vaccine manufacturer
stock, her ability to be impartial and acknowledge what is destroying the health of Americans would be compromised.

## CONCLUSION

An impartial judge in an impartial Court, and the appearance of same, is necessary to examine the evidence here. For the foregoing reasons, Petitioners respectfully move this Court to disqualify the Honorable Kim McLane Wardlaw as a Circuit Judge in this case.

Respectfully submitted February 2, 2022.

Counsel for Petitioners-Appellants

## Supporting Declaration of Appellants' Counsel

I, Gregory J. Glaser, hereby declare:

1. I am the lead counsel for Petitioners-Appellants in the above-entitled action.

I have personal knowledge of the matters discussed herein, and if called as a witness could and would testify competently thereto.

## Judge Wardlaw's Financial Conflicts

2. Attached as Exhibit A is a true and correct copy of Judge Wardlaw's 2018 financial disclosures. These are the most recent public documents available to Appellants. The US Supreme Court published on December 31, 2021 a year-end report on the federal judiciary, referring to financial conflicts in the judiciary, ${ }^{1}$ per a Wall Street Journal article referring to the applicable database of judicial financial disclosures (released to the public for the first time October 15, 2021). ${ }^{2}$
3. Per Exhibit A, Judge Wardlaw had between $\$ 245 \mathrm{k}$ to $\$ 565 \mathrm{k}$ invested directly in stocks of vaccine manufacturers challenged in the case:
a. Johnson \& Johnson (\$15k-\$50k); https://www.jnj.com/tag/vaccine (manufacturer of multiple vaccines, including Covid-19).

1 Roberts, J (December 31, 2021). 2021 Year-End Report on the Federal Judiciary. The US Supreme Court. https://www.supremecourt.gov/publicinfo/year-end/2021year-endreport.pdf.
${ }^{2}$ Lissner, M (October 15, 2021). Our Financial Disclosure Database is Now Available to All. Free Law Project. https://free.law/2021/10/15/financial-disclosures-now-available-to-all-on-courtlistener.
b. Abbot Labs (\$15k-\$50k); https://www.abbott.com/for-healthcareprofessionals/medicines.html (flu vaccine manufacturer).
c. Merck \& Co (\$50k-\$100k); https://www.merckvaccines.com/ (manufacturer of multiple vaccines)
d. AstraZeneca (\$65k-\$150k); https://stocknews.com/news/azn-bntx-biontech-vs-astrazeneca-which-covid-19-vaccine-stock-is-a-better/ (manufacturer of multiple vaccines, including Covid-19)
e. Gilead Sciences (\$50k-\$100k); https://www.gilead.com/news-and-press/press-room/press-releases/2021/2/gilead-sciences-and-gritstone-announce-collaboration-utilizing-gritstones-vaccine-platform-technology-for-hiv-cure (manufacturer of multiple vaccines, including Covid-19)
f. Eli Lilly (\$50k-\$100k); https://investor.lilly.com/news-releases/news-release-details/lilly-and-curevac-announce-global-collaboration-develop-mrna (manufacturer of multiple vaccines, including Covid19)
g. VBI Vaccines (\$15k or less): https ://stockinvest.us/info/VBIV (vaccine manufacturer)
4. Certain of these companies also profit from pharmaceutical products that treat vaccine injury, which is apparent from Petitioners' Requests for Judicial Notice currently pending before this $9^{\text {th }}$ Circuit Court.

## Good Faith Motion

5. As Petitioners' counsel, it is impossible for me to litigate this case without exposing the destructive and unlawful schemes perpetuated by companies (stock) owned by Judge Wardlaw. I have immediately made this motion for disqualification in the interests of justice, fairness, and the appearance of impartiality necessary to our judicial system.

I declare under threat of penalty of perjury under the laws of the United States of America that the foregoing is true and correct, and that this declaration was executed on the date set forth below in Copperopolis, California.

Executed this February 2, 2022.

## IX. CERTIFICATION.

#### Abstract

I certify that all information given above (including information pertaining to my spouse and minor or dependent children, if any) is accurate, true, and complete to the best of my knowledge and belief, and that any information not reported was withheld because it met applicable statutory provisions permitting non-disclosure.

I further certify that earned income from outside employment and honoraria and the acceptance of gifts which have been reported are in compliance with the provisions of 5 U.S.C. app. § 501 et. seq., 5 U.S.C. § 7353, and Judicial Conference regulations.

Signature: s/ Kim M. Wardlaw

NOTE: ANY INDIVIDUAL WHO KNOWINGLY AND WILLFULLY FALSIFIES OR FAILS TO FILE THIS REPORT MAY BE SUBJECT TO CIVIL AND CRIMINAL SANCTIONS (5 U.S.C. app. § 104)
